User Story
As a Customer, I want to check TV Specifications, so that I can choose the best option.
As a Customer, I want to ask the question about the order, so that I can change the order detail.
As a Customer, I want to track my order, so that I can know the order status.
As a Customer, I want to know who make this product, so that I can choose the specific brand's product.
As a Customer, I want to add multi-item in the cart, so that I can purchase two or more different TV in one time.
